Travel Itinerary—The travel time frame may vary depending on traffic flow, time needed for rest stops and meals. Oklahoma City is exactly 16 hours and 11 minutes from the original departure point in Simpsonville—Kohl's Store. A bus driver can legally drive X number of hours per day. Prayerfully for safe travel, the itinerary includes two additional lodging days so the bus driver can get required rest. The additional lodging eves to Oklahoma are [6/16-17] and upon our return to South Carolina [6/23-24]. **Bus passengers are not to park and leave their vehicle in the Kohl's parking lot. They are advised to be dropped off on departure date/time and picked up on the return to SC date/time.** All adult bus passengers are asked to please have on their person during the duration of this trip a charged mobile/texted phone. When the travel list is confirmed, all will be required to sign-up on the digital program **RemindMe** where everyone can receive grouped text messages during the trip days if need be. I will not text before 6:30 a.m. and not after 10:30 p.m. unless there is an extreme emergency. I also ask that you add my mobile text number before boarding the bus on June 16, 2018. If you do not know how to add Remindme digital communication to your mobile phone, we can do it before departing June 16th. **Time Zone changes in Oklahoma. South Carolina is 1 hour ahead of Oklahoma.**
