The Reedy River Baptist Association's quarterly meeting was held Saturday, **June 29, 2019**, at Staunton Community Baptist Church, Greenville, South Carolina, where Rev. Tyrone Westfield is the pastor. Moderator Wilbert Simpson called the session to order at 10:24 A.M. Scripture was read by Dr. Tony Boyce and Rev. Terry Norman led the assembly in prayer

Opening selections by Staunton Community Music Ministry: "Because of who You Are."

The Message of the day was presented by Rev. Herbert Edwards, Pastor of Shady Grove Baptist Church.

Theme: "If God said it, Believe it."

Scripture: Numbers 20:22-24.

Rev. Edwards let the congregation know that the key principle God has given us is faith. Hebrews 11:6 says 'without faith...' It doesn't say without praise; or coming to church. When we operate in faith it means we believe in God. Everything we need can be acquired by faith. It's that supernatural power given to us to overcome our circumstances. We can trust God right now, because He really means what He says.

Greetings: Rev. Tyrone Westfield.

Association in Training

Five Levels of Leadership – Rev. Christopher Scott, pastor of Flat Rock Baptist Church

Rev. Scott shared several important points of leadership. He told the congregation that leadership is a process not a position. We don't get to where we are "just "because". It's because of good leadership. Leadership is about investing; it's about achieving results and team building.

Business Session

Minutes of the March 30, 2019 quarterly meeting were read silently by the body. A motion was made and seconded to adopt the minutes. Upcoming association meetings and events were read by the secretary.
